Weekly Card Party.
The weekly card party at the Catholic Woman's Club will be held on Tuesday afternoon at 3:30 o'clock, concerning Alumni Association.

At the annual meeting of the John Marshall High School Alumni Association on June 13, reports of the officers will show that the organization has been active in many lines during the year. The Rosemary Library has been added to the high school library, which was founded by the alumni; a monu-

ment has been erected at the grave of Miss Julia P. Read, for many years teacher of Latin in the old Richmond High School; a students' loan fund has been established on a substantial basis, and a considerable fund is in hand for the purchase of a moving-picture machine for the school. The loan and picture machine funds have been materially increased by the proceeds of "As You Like It," which was successfully presented by pupils.

The association hopes for a large increase in membership during the next year, and this will enable it to complete the projects already under way, and to take up other plans for the good of the John Marshall High School.
